What will our launch involve?

The Corvus Centre launch will be a Zoom affair, with no need to pre-register. As well as learning who and what we are, you'll get:

- Perspectives from our current partners on "why" a Corvus Centre is needed
- Two brief 'FYI' information presentations on:
 - 1 The background scoping for our research agenda, and
 - 2 10 things to know about the *Taskforce for Nature-related Financial Disclosures*
- Opportunities for feedback on where you think we should focus in the future, and how you want us to communicate with you

On June 2 at 12:00 noon (MT), go to the website and click the 'Join Zoom Meeting' button.
